

APPLICATION FOR PARTNERSHIP/SUPPORT

(NOTE NEXT 3 YEAR PROGRAM STARTS JAN 2010)

Fax to 021 391 5316, or email to admin@seed.org.za

This form is to be filled in by schools who would like to work in partnership with SEED to further develop their garden projects and link this work to the curriculum. Note that if SEED cannot include your school on the Sustainable Schools Program at this time we may be able to offer:

Workshops for Educators, sale of learning resources, plants, seed and seedlings

School Name and Area: _____

Tel and Fax numbers: _____ (T) _____ (F)

Full physical address: _____

Postal address: _____

Principal's name: _____

Do you have the principal's support for this project? _____

How many teachers at your school are interested in being a part of this project? Please indicate whether they have completed SEEDs teacher training, or any other relevant training.

Teacher	Grade	Completed SEED Training?

Do you have any environmental initiatives/projects running at your school? Please give details.

Do you have a food garden at your school? _____

If you do, please describe your food garden. If not, please describe your plans for a food garden.

Please motivate why you think SEED should work in partnership with your school in particular.
